

Facilities

Hockway is part of Corpro, an Aegion Corporation subsidiary, with offices in the United Kingdom and Dubai. Headquartered in an integrated workshop and office facility in Redhill, Surrey, UK, the complex is located 10 miles from Gatwick Airport and within easy reach of central London.

In the Middle East region, Hockway serves clients in the UAE, Iraq, Qatar, Kuwait and Oman. Hockway, along with Corpower, also works in Saudi Arabia. Hockway Middle East is located in Dubai's Silicon Oasis with a state-of-the-art engineering design office and warehouse containing a wide array of standard cathodic protection equipment and staffed with NACE qualified cathodic protection engineers for field services in the region.
